Scrap Metal Drive Off To Fine Start On Opening Day

School Children Really Brought In Scrap on Monday

Columbus Day (Monday) was Scrap Harvest Day in Murray and in much of Calloway county. There are no figures as to how much scrap metal was harvested Monday when all business houses in Murray and all schools were closed solely for the purpose of collecting, but many believe that well over half a million pounds were piled up, principally in school yards.

The school children really went to work Monday, but that is not saying that they had not been working before, nor that they have stopped now. Scattering reports show that Lynn Grove, Almo and a number of other county schools have piled up large amounts. Murray high school and the Training School here have piles of scrap that are really something to see. The Boy Scouts have a sizeable amount stacked up, and the WPA truck working steadily has many thousands of pounds piled up near the railroad.

The newspaper contest officially started Monday and will end October 31. Details of the contest can be found in advertisements in this newspaper. With the newspapers and radio telling about the need for scrap, everyone knows that scrap is needed and is really going out and hunting it up. Perhaps the prize in this respect so far should go to Mrs. Cota Ballance, who lives near Old Salem. She is 69 years of age and lives alone, but she got out and got together 2,198 pounds of scrap metal on her place by herself.

The WPA truck under the direction of Kirk Pool is hauling steadily, averaging from four to five thousand pounds a day. Saturday it brought in 4,184 pounds from the Wiswell neighborhood, for example. John Boyd was the largest contributor there, with 836 pounds. Friday the WPA truck brought in 4,263 pounds. Among those who have contributed rather large amounts are: J. W. Outland, 800 pounds in addition to a previous large amount; Charlie Ross, 816 pounds; W. A. Ray, 630 pounds; W. C. Nanny, 594 pounds; S. M. Brittain, 1,937 pounds; Prentice Overby, 1,721 pounds; and Mrs. M. C. Guerin, 562 pounds. There are only a few who have gotten in their scrap.

Much of the scrap is being donated to the schools. Monday Rex Tabors donated 1,450 pounds to Murray high school, and the Murray Marble and Granite Works donated 3100 pounds to the Boy Scouts.

No. 1 contributor to the scrap drive in this county so far is the Hestery Mill here, which has sent 33,595 pounds off to the junk yards already.

FBI to Seek 6 Men Here Soon, If...

FBI officers will soon be seeking six Murray men, the local Selective Service board stated yesterday. If those six men do not step forward within the next few days and give their mail addresses, the men and their last known addresses are: Robert Glen Taylor, N. Twelfth street; Rex Young Shackelford, 800 Main; Couder Beasley, Murray, colored; Bonnie Foster, Murray, colored; William Arthur Kinel, Paducah, colored; and Norman Frank Foster, colored. The board stated that it will give the men a few more days grace before notifying the FBI to go after them. If anyone knows the address of any of these men, he should notify the draft board here. Any man registered in the draft must notify the board immediately when he changes his address. This is a federal law.

Pvt. Noble Scarborough, son of Mr. and Mrs. Jeff Spahn, has been transferred to Fort Lewis, Wash., for basic training.

Donates German Helmet
Alton Barnett, veteran of World War I, has donated a German helmet to the scrap metal drive. The helmet, painted so as to camouflage the head of the wearer, came from the Argonne, Mr. Barnett states.

TIGERS, BOWLING GREEN TO PLAY HERE FRIDAY

Kickoff at 8 P.M. Murray Gridders Show Improvement

Coach Ty Holland's vastly improved Murray High Tigers will play host to Bowling Green high school, one of their keenest rivals, here Friday night at 8 o'clock. This will mark the last home game this month for the Tigers. On the next two week-ends they journey to Marion and Morgantown. They will then meet Clay here on November 6.

The Tigers' offense has taken on added color and their defense tactics are tightening up nicely. The Hollanden's 12-6 victory over Fulton last week-end gave the Murrayans the needed spark. Penalties called against the Tigers in the Fulton game nullified at least two touchdowns.

Stone, blocking back for the Tigers, although new at this position, is showing unique ability in clearing the way for the Murray ball toters and also is proving to be a powerful, hard-hitting tackler. Huie, is also showing up well and was a standout in the Fulton game. Billy Saunders is getting into his own at left end and is putting up a tight defense around his territory. J. L. Miller, center, is living up to pre-season dope and is handling his position well. Ogden, Pully and Gibbs are getting a fast pace in the backfield, with each man a distinct threat to their opponents' goal line. Slaughter, at right tackle, is being ably assisted by Harrell at right end and by Starks at right guard. Castle Parker and Blalock, over on the left side of the line are clicking in a fine way. Hood is proving to be an important man in Holland's machine. He fills the bill where he is mostly needed.

Last year the Tigers lost to Bowling Green at Bowling Green by a 7-6 score when Pully's placement for conversion hit the cross-bar and bounced back. The Murray-Bowling Green game each year is a struggle to the finish with neither team ever being able to win but by only a close score.

Murray fans will see the Murray Tigers unleash new and powerful plays, according to Coach Holland. The Tigers are in good shape and at the whistle Friday night at 8 o'clock will be ready to turn in a good, tough battle against their arch-rivals.

The probable lineups are:
Murray P. O. B. Green
Saunders (C) L. E. Baughman
Blalock L. T. Sharer
Parker L. G. Gilbert
J. L. Miller C. D. Bryant
Starks R. G. Meeks
Hood R. T. McElroy
Slaughter R. E. Johnson
Stone or Huie Q. B. Parrish
Pully R. B. Herman
Miller or Ogden L. B. Parr
Gibbs F. B. Thomas (C)

100-YEAR-OLD COUNTY JAIL IS ABANDONED

Work of Tearing It Down for New One Is Started

Calloway county's 100-year-old jail, one of the oldest landmarks in Murray, has served its usefulness and is being torn down. Work of dismantling it started Monday.

The only prisoner Monday morning was Edwin Bray, charged with drunkenness. He was fined \$1 and costs and sent upon his way.

One cell is being reserved while the rest of the metal work is being torn out and transferred to the third floor of the court house where a new jail is being made. The old jail was in such a bad condition that a new one was almost imperative. It needed a new roof and new stoves if it were used this winter, so Judge C. A. Hale and the members of the fiscal court decided that for about the same money that would be needed to make such repairs and buy the stoves and heat the building this winter, a new jail could be made on the third floor of the court house.

This decision was made Monday a week ago. This Monday Judge Hale started to carry into operation the plans made at the fiscal court meeting. No new steel will have to be purchased as the old steel from the jail can be used.

Prizes Offered In C-J Spelling Bee

The annual county spelling bee will be held here in January, it was announced yesterday, but there will be no state spelling bee because of limited travel conditions during the war. The Courier-Journal and Times is offering a prize of \$10, a system championship certificate, a medal and a copy of "The Editorials of Henry Watterson" to be presented to the Calloway county winner here by the county superintendent.

Thoroughbreds to Meet Eastern State Maroons in Cutchin Stadium; Huge Colorful Parade to Square Is Planned

The big feature of the College Homecoming will of course be the football game Saturday afternoon in the Cutchin stadium, when the Thoroughbreds here meet the Maroons of Eastern State College, Richmond, Ky.

Overwhelmed 39-0 by Union University at Jackson, Tenn., last Friday night, Murray State's Thoroughbreds are grimly at work here this week trying to develop a scoring punch and a defense capable of handling Eastern's Maroons Saturday afternoon.

In its two SIAA games, Murray hasn't scored a point—0 to 13 with Morehead and 0 to 39 against Union; however, the Breds have demonstrated plenty of ground-gaining aptitude. Against Morehead, the Stewartmen scored 14 first downs to 6 by their foes, and against Union the Backschores led 6-3 in first downs. However, they are probably being told that the payoff is not in first downs.

Eastern defeated Murray 6-0 at Richmond last year in a bitterly contested ball game and the Maroons are coming to the Jackson Purchase area Saturday probably expecting to repeat. They won 6-0 over Akron Friday, and on September 28 they tied Northwest Missouri Teachers 7-7.

Fred Ganas and Tommy Walker, tailbacks, did not play Friday for Murray but they hope to have recovered from injuries sufficiently to go into action Saturday.

Allowance In Phosphate Is Raised To 90%

Q. D. Wilson, chairman of the Calloway County Agricultural Conservation Association, has announced that due to the steady flow of 20 per cent superphosphate into the county, the county office will now issue 90 per cent of the soil-building allowance in phosphate, instead of 50 per cent.

Farmers who have already received 50 per cent of their allowance in phosphate and have taken no other conservation materials, may now place another order for phosphate.

All farmers are urged to place orders now for phosphate to be used in seeding winter legumes and grasses.

Due to the lack of storage space, it has become necessary for phosphate to be taken from storage immediately upon receipt of the order. After 15 days, orders that have not been filled will have to be cancelled and it will then be necessary to get another order before phosphate can be obtained.

FARM BUREAU SETS MEMBER GOAL AT 125

The Calloway County Farm Bureau has started its annual membership drive, with a goal of 125 members in view and with hopes of attaining more—possibly 200.

The drive was staged Thursday night at last week's dinner at the Woman's club house at which time W. O. Parr, state regional director of the Farm Bureau, gave an interesting talk on the benefits and the work of the Bureau. About 50 men and women, mostly farmers, were present. The drive was started off that night with about a dozen signing up before leaving the building.

Mr. Parr, in his talk, stressed the problem of indifference among farmers as a problem in organization. He told those present that there is a definite need for unity among the farm folks, and stated that much of the progress in agriculture during the past ten years had resulted from farm organization work.

Farmers block their own progress by failing to cooperate, he said. "Today the farmer is in the best position he has ever been in Washington, and he is indebted to farm organization for this."

Hansford Doron, president of the Calloway Farm Bureau, presided. The membership drive, which was started with the dinner, is to end November 28.

Prize of a \$25 war bond is to be given to the person who secures the most members in obtaining the goal of 125. Also a \$25 war bond is to be given as a prize to each person who obtains at least 20 members.

Dr. Lowry to Speak Over WLAC Saturday

Dr. C. S. Lowry, professor of social science at Murray State College, will give a talk on India and its relation to the present war over Radio Station WLAC Saturday from 6 to 8:15 p.m.

WLAC at Nashville was stepped up to 50,000 watts on September 11 and is now one of the most powerful stations in the South. Dial 1510 to tune in WLAC.

Prof. Lowry has prepared an extremely interesting and informative talk on India, approaching the present vital problem there in the present war from an entirely new angle. This talk is one not to be missed.

His talk is being sponsored over WLAC by The Ledger & Times.

WHAT THE AXIS DOESN'T KNOW

The German propaganda ministry this week "exploded" the idea that Henry F. Kaiser, Oregon shipbuilder, launched a 10,500 ton cargo ship ten days after the keel was laid.

"Everyone knows such a thing is impossible," said the ministry, and added, "American propaganda would be more convincing if it had more respect for the truth."

The reaction of the German agency is interesting because it reveals a total ignorance of America's production capacity, also because it recommends that propaganda be limited to the truth.

What the German government doesn't seem to know is that reports of industrial accomplishments in this country do not come under the heading of "propaganda." They are "news" and, as such, are checked and double-checked for accuracy before they are accepted by the press associations.

Since the Axis Powers consider it "impossible" to build a cargo ship in ten days the chances are they are laughing up their sleeves over our determination to put 85,000 airplanes into the air within two years.

They also may believe their submarines that left German and French ports last winter and spring, never to return, are nestling comfortably in some friendly harbor, and that the merchant shipping they destroyed has not already been replaced.

If ignorance is bliss the Axis Powers should be happy, temporarily at least. It won't take long, however, for Henry Kaiser's cargo ships to do their part in hauling enough ammunition to Europe, Asia and Africa to make them sit up and take notice.

MURRAY'S GOLD STARS

The College News, official publication of Murray State Teachers College, published the following lead editorial by Gene Graham in the current issue.

Graham is the College News' cartoonist and his tribute to three Murray students who have made the Supreme Sacrifice is appropriate as the old grads gather Saturday for their 1942 Homecoming.

"October 17 is Homecoming for Murray State College grads.

"Homecoming 1942, however, is not just another homecoming with its usual air of gaiety, its many handshakes and renewed acquaintances. It is not just another gathering of old grads with banquets and speeches and dances and ball games. No, Homecoming 1942 is a different occasion. For Homecoming, 1942 marks the first war-time homecoming ever held in Murray State College's 20 years of existence.

"Oh! There'll be plenty enough. We'll have our dances, our speeches, our banquets, our ball games. But there'll be something missing—something hollow about the occasion—Yes we'll have our fun! 'Fats' Everett—good old 'Fats'—will be with us, but Russell Snyder won't. Sure—old Bob and Tom and Jim will be back, but Harry Haney and 'Hym' Morris won't. These three boys have given their lives that you and I might enjoy Homecoming this year, and the year after this, and the next, and the next, and the NEXT, and as long as God will permit us to live—free and unmolested—upon His, our miserable little piece of earth.

"So when you are having a good time next week, stop for a moment and think of these boys. Think of the sacrifice they have offered that you may be free and happy. But think of the others, too. These three are only a part of them. They are fighting now in Egypt, England, Australia and over Berlin and Tokyo. They are fighting for us—for America.

"There is a brighter side, so smile—laugh. Those boys would do it for the smile on your lips is ample proof that the cause they fight and give their lives is not a vain one. They only memory when you go to the game next week think for a moment of Homecoming 1940 when 'Ham' was on the field, Harry was in the stands, Russell was safe and happy. And while you are recalling, thank God that young men like these are willing to fight that the ideals in which they believe shall NEVER DIE."

We now have something like 4,500,000 men in the U. S. Army. Our troops may eventually number as many as 12,000,000—and will certainly number 8,000,000 to 10,000,000 men.

Remodelling at Lerman Bros. Is Finally Finished

The remodelling of Lerman Bros. department store in Murray has finally been completed, having taken much longer than was at first estimated because of a shortage of labor.

Remodelled, enlarged and completely refurbished, it is now one of the finest department stores in Western Kentucky.

Wm. Packman, manager, is now having its opening celebration, giving away gifts with various purchases and extending an invitation to the public to stop in and see the changes that have been made during the past few months.

In the basement, formerly occupied by Turner's Store, Mr. Packman has placed his men's and children's department, after completely remodelling and refurbishing that part of the building. On the street floor are located women's and babies' clothes as well as piece goods. All counters and fixtures are new.

Installed in front are brand new show windows and the largest electric sign in Murray.

Bryan Tolley Buys Carson's Interest, Bridges' Grocery

Bryan Tolley last week purchased Joe Carson's interest in the Tolley and Carson Food Market and is now operating it as Tolley's Food Market.

Mr. Tolley also purchased the stock of groceries in L. P. Bridges' grocery at Five Points and has moved the stock to his store on the Square. Mr. Bridges has closed his grocery and has moved to Pysburg, Ky., his home town.

Mr. Tolley and Mr. Carson established the Tolley and Carson Food Market in February, 1935. Both were thoroughly experienced in that line of business. Mr. Carson had been working for Robert Swann since 1928 and Mr. Tolley left a position as representative of H. J. Heinz and Co. when the partnership was formed.

Mr. Carson said, in commenting on dissolving the partnership, that he and Mr. Tolley had greatly enjoyed working together and highly appreciated the patronage they had received during the past seven years they had been in business.

R. W. Shelton, 81, Claimed by Death

R. W. Shelton, a prominent citizen of the Kirksey community, died on October 5 at the home of his son John K. Shelton, former assistant postmaster of Murray, after a brief illness.

Mr. Shelton is survived by his wife and six children. He was 81 years of age. He was a member of the Methodist church at Kirksey, a member of Woodman of the World and was known as one of Calloway county's most staunch and reliable citizens.

Interment was in the city cemetery of Detroit where his children now live and where his son, Bryan Shelton, was buried some two years ago.

Sock and Buskin To Present "Lady Be Good" November 5

"Lady Be Good," a three-act comedy, has been chosen by Sock and Buskin for its first play of the year.

This is not the story by the same title from the motion picture script. This play centers around "A Park Avenue Fireworks" Anne Barry, who in the sale of the fireworks is always exploding at the wrong time. During one of her explosions she hits a button. Bill Tractor, played by Jean Ryan, from then on she finds this explosion was only too true. There is a twist in the tale. A comedy it is, rich in laughs and just what the doctor ordered to cure the blues.

In next week's paper the entire cast will be announced with several names of students from Murray.

Joseph Gordon Phillips Made Warrant Officer; Passes Exam for OCS Training

James Gordon Phillips, former star athlete at Murray high school, was made a warrant officer in the U. S. Army week before last, and in addition has successfully passed the examination for entrance to Officers' Training School. He expects to be called to OCS at Miami Beach, Fla., in the near future.

Warrant Officer Phillips, son of Mrs. Pearl Phillips of Murray, entered the Army five years ago last August. He was first stationed at Ft. Harrison, Ind., in the field artillery. Later he was transferred to Jefferson Barracks, St. Louis, Mo., where he was made the youngest corporal at that Army post. Later at Ft. Benning, Ga., he was promoted to sergeant and then was transferred to Ft. Knox, Ky., where he was successfully promoted to staff, technical and finally master sergeant.

At Fort Knox he was with the armored division, but was not entirely a stranger there as he had been on maneuvers at Ft. Benning while stationed at Ft. Benning. The picture of him above was taken while he was at Ft. Harrison.

During August of last year Sgt. Phillips married a St. Louis girl. He and Mrs. Phillips visited his mother here October 2, 3, and 4. Phillips will be well remembered here as an outstanding outfielder on the Murray High School baseball nine. His ability with the bat and his fly-chasing ability won for him high commendation. It is also brought to mention that he has taken active and prominent parts in Army athletics during the past five years.

Leatherneck Recruiters Coming Here

Two representatives of the United States Marine Recruiting Service will visit the Post Office in Murray all day Saturday, Sunday and Monday, October 17, 18, and 19, for the purpose of interviewing and examining young men who are interested in immediate enlistment in the U. S. Marine Corps.

Accepted volunteers will be transferred from Murray to Louisville at Government expense for final examination, for enlistment and immediate transfer to a Marine training base.

Men between the ages of 17 and 36 who are normally sound physically and mentally should qualify. Minors must have their parents' consent.

Traffic Certainly Slower These Days

Traffic officers these days are commenting on the way traffic is slowing down since the 35-mile-per-hour regulation went into effect.

"Traffic sure has slowed down," says Highway Patrolman Charlie Adams. "We thought we would have lots of speeding cases when the 35-mile limit went into effect, but we haven't had a one," said City Judge Hub Merrill yesterday.

Rev. Arterburn's Church in Detroit To Be Dedicated

Word has been received here that the \$50,000 Grave Baptist church in Detroit, of which the Rev. N. G. Arterburn, well-known minister from Graves county who has held many meetings in this county is pastor, will be dedicated the fourth Sunday this month.

Rev. Arterburn has been with this church for the past five years. He states that the building is fully paid for, that 800 additions have been made to the church membership during the past year.

The Four Freedoms We Are Fighting For

1. FREEDOM OF SPEECH

"To live free a man must speak openly. Gag him and he becomes either servile or full of cankers. Free government is then the most realistic kind of government, for it not only assumes that a man has something on his mind, but concedes his right to say it. It permits him to talk—not without fear of contradictions, but without fear of punishment."

2. FREEDOM OF RELIGION

"We of the nations united in war, among whom all the great religions are represented, see a triumphant peace by which all races will continue the belief in man, the belief in his elusive and untouchable spirit, and in the solid worth of human life."

3. FREEDOM FROM WANT

"Prosperous times have been enjoyed in certain regions of the world at certain periods in history, but local prosperity was usually achieved at the expense of some other region; which was being impoverished, and the spectre of impending war hung over all. Now, the industrial changes of the last 150 years and the new prospect implicit in the words 'United Nations' have given meaning to the phrase 'freedom from want' and rendered it not only possible but necessary."

4. FREEDOM FROM FEAR

"Aggressive war, sudden armed attack, secret police, these must be forever circumvented . . . the first move to free people from fear, is to achieve a peaceable world which has been deprived of its power to destroy itself. This can only be accomplished by disarming the aggressors and keeping them disarmed. Last time they were disarmed, but they were not prevented from rearming. This time they will be disarmed in truth."

Defend These Freedoms By Buying Bonds!

"The United Nations are today fighting for the Four Freedoms—the rights of free men everywhere," says Elmer Davis, Director of War Information. "Our job is to win the war as swiftly as possible . . . We are fighting not merely against something, but for something for a free world."

Yes, we are today fighting for our homes, our property, our rights, our happiness . . . Their protection costs a great deal in sweat, tears and money. We here on the home front are being asked principally for money—not being asked to give it but merely lend it on interest that our boys who are giving of their blood may have enough arms and ammunition and food to carry on the fight to Victory!

The people of Calloway county are being asked to invest only \$35,600 during October in War Bonds. We have never yet failed to make our quota—let's not fail this month!

YOU GET A \$25.00 BOND FOR ONLY \$18.75

Brief Facts About War Savings Bonds (Series E)	
How much do they cost?	Upon Maturity You Get Back
You LEND Uncle Sam	
\$18.75	\$25.00
37.50	50.00
75.00	100.00
375.00	500.00
750.00	1,000.00

What is a War Bond? It is a written promise by the United States Government to pay you the amount of money stated on the Bond.

What interest does my money earn? When held 10 years, Bonds yield 2.9 percent on your investment, compounded semiannually. You get back \$4 for every \$3.

When can I get my money back? Any time after 60 days from the date the Bond was issued. Naturally, the longer you hold the Bond, up to 10 years, the more money you'll get back. But you'll never get back less than you put in.

Can anyone cash the bond? Only the person or persons whose names appear on the Bond as owners.

FIRST PRESBYTERIAN CHURCH

Samuel C. McKee, Pastor

Sunday School will begin promptly at 9:45 a.m. Mr. James Eyer is superintendent. The attendance last Sunday equaled the previous Sunday's record-breaking attendance. A well-administered, well-taught Sunday School can be a joy to children, youth and adults. There is now a class for all age-groups.

Morning Worship Service, 11:00 a.m. A choir composed, for the most part, of music students in the college directed by Miss Marjorie Palmquist, enriches this service. Mr. McKee's sermon next Sunday morning will be entitled: "The Westminster Fellowship."

The "Westminster Fellowship" meets in the church at 7:15 p.m. This is a college group to which all students are welcome. Next Sunday, Captain Pohl, of Seattle, Washington and Camp Tyson, will provide an interesting program. Each Wednesday night at 7:30 mid-week Prayer Meeting is held in the church.

At every service a cordial welcome to visitors. God belongs to us and we belong to Him. We are going to get together and get on with it. We need to get together at least once a week and remind ourselves and the world of these things.

CATHOLIC SERVICES

Catholic services will be held at 602 Olive street Sunday at 10:00 a.m.

MEMORIAL BAPTIST CHURCH

T. Hicks Shelton, Pastor

There is a welcome at the Memorial Baptist Church for everyone. If you are not attending services elsewhere come and worship with us. If you are a member of our church we urge you to do your duty in support of your church with the presence of the Lord's Day. The Morning Worship hour is 10:30 and the pastor's subject will be: "Motives for Soul Winning."

At the Evening Worship Service the pastor will speak on "How to Be Justified Before God."

Sunday School 9:30. Morning Worship, 10:30. Prayer Service, 7:30. Evening Worship, 8:00. Wednesday Prayer Service, 8:00.

We are a small church with a great love for God and humanity, come and worship with us.

NOTICE

We urge all members of Pine Bluff church to be present Saturday, October 17, to decide about carrying on for the coming year. R. R. Parker, Church Clerk.

MANY HARD WORKERS KEEP FIT WITH RETONGA

Mr. Barnes Wants Other Sufferers To Know How Retonga Relieved His Years Of Distress, And Tells Of His Case

"One of the remarkable features of Retonga is the thousands of railroad men, farmers, miners and others whose work demands lots of strength and physical fitness who are taking and praising this famous gastric tonic and Vitamin B-1 medicine. For instance, Mr. Carroll E. Barnes, well known home owner of Nortonville, Ky., a miner for thirty-two years, declares:

"Retonga brought me grand relief—and I want to pass the good word on to others. Nothing I ate seemed to digest right. I just seemed to lie on the pit of my stomach and sour and burn. Dull headaches would stay with me all day. I felt full of acid and poisons from constipation and my hips and legs got so aching they were never free from pains. After a day's work my shoulders and back hurt so bad I felt like I could never make it again."

CARROLL E. BARNES

that gave me genuine relief. My appetite returned. I got anything on the table and I never felt any pains or soreness in my muscles now. The laxative effect of Retonga is remarkable. I feel good even after a hard day's work. I don't see how a medicine could do more for a man than Retonga did for me."

Accept no substitute. Retonga may be obtained at Wallis Drug.

Retonga is the only medicine

GROWTH IN CHRIST

LESSON TEXT—Luke 2:40-52. II Peter 1:18.

GOLDEN TEXT—But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ.—II Peter 3:18.

Growth is a normal thing. We expect it of the child, and when it fails, we know that something is wrong. Just so there is something very decidedly wrong in the life of the Christian who fails to grow in grace. If a child fails to grow in grace, he is a child who is not growing. If a Christian does not grow, he is a Christian who is not growing. We need a revival.

I. Normal Children Will Grow (Luke 2:40-52).

While Christ was God manifest in the flesh, He was at the same time true man; and as a boy He developed and grew in a normal way.

Unless we meet the tragedy of arrested development we need have no concern about the fact that a man will grow neither physically nor spiritually. The Lord has placed in the babe in a mother's arms the potential qualities of the man or woman to come. Our chief responsibility is to provide the opportunity for the development of those abilities and qualities which the child has, and of guiding that growth in the right direction.

That is a parent's task to do, but it is enough to call for all the wisdom, judgment, patience and skill of the best of us. Yes, and even that is not enough, we need the wisdom of God and His grace upon our lives to do this vital work as we ought.

The qualities in a boy or girl which will count gloriously for God may be dreadfully effective for Satan if we permit him to get control of our children. May God help us to be alert and skillful in rearing our boys and girls.

While it is true that we can do more for the guidance of physical and mental growth than spiritual growth—that is a matter of the grace of God, we can lead the steps of the little child to the house of God, we can teach him to pray and to trust God, and we can set an example of godly living before him. That is all we can do; but again we say, it is enough to demand our best effort and most earnest prayer.

II. Normal Christians Will Grow (II Pet. 1:1-8).

In Christ there are "all things that pertain unto life and godliness." There is no need of some added experience, or some new and striking endowment, for all the unbelievably great possibilities of Christian grace and growth are in Him. We need only to recognize that fact and yield to Him, and there will be the full development of Christian life and experience.

"We have," in practice, so far departed from the normal in Christian life that we can hardly believe that the above is true. In place of the normal Christian life according to God's standard, we have established a standard based on the average Christian life. If we are honest, we are satisfied, and if perchance we surpass it we count ourselves among the "more spiritual" ones. And all the time the average standard is far below the normal Christian life which God not only expects, but is ready to enable and empower us to live.

Peter tells us in this passage that the great and precious promise of God in Christ are not only to enable us to escape the corruption of this sinful world, but to go on to a place where we will be at Pleasant Grove. How will this come about? Verses 5-7 tell us.

Faith supplies in itself (rather than "add to," v. 5); if there is "diligence," that is, true Christian devotion, a new kind of other spiritual qualities. First comes "virtue"—really moral courage, or nobility of character. What a fine step forward! Then comes "knowledge," that is, a discernment which will give practical skill in effective daily living for Christ. Such spiritual discernment will naturally lead to "self-control," which is the fruit of Christian growth of which we are speaking.

The self-controlled one will always have "patience," that is, the endurance to stand every hardship and trial. We need to be more patient not only with others, but also with ourselves, even in this matter of Christian growth of which we are speaking.

A life like that is a life of "godliness," which will blossom out into real "brotherly kindness." There isn't too much of that in the world today, even among Christians. Let's revive it! Then what? The one who loves his brother will love the whole world (charity, in v. 8; should read "love"). Why not? Are we not all brothers? Who knows Christ, regardless of race, position or creed?

Let such virtues "abound" (v. 8), and no Christian life will lack in rich fruitfulness for God in Christ. If Christian people would let the new life within them grow, it would surprise us and them what God would do through them for His own glory.

Let Us Practice What We Preach—Freedom of Speech.

Christian Church Revival Services To Close Friday

The revival services at First Christian Church will close with the Friday night service at 7 p.m.

Rev. Joseph S. Faulconer will speak on "Our Daily, Deadly Sin" as his closing subject. On Thursday night Rev. Faulconer with the assistance of 40 young people of the church, will conduct a candle light Communion Service. This service of supreme beauty, originated by Rev. Faulconer, has made lasting impressions where ever it has been held. Howard Swyers, assisted by Mrs. Swyers at the piano and Mrs. Frances Johnson at the organ, has been furnishing inspiring song services.

Rev. Faulconer has made a fine contribution to the life of this church and community, and the meeting conducted by him is regarded as one of the outstanding in the history of the church. He will return to Ashland, Ky., where he is pastor of First Christian Church, Saturday.

All regular services of the church will be resumed Sunday, with Bible School at 9:30 a.m., Communion and sermon 10:30 a.m. Youth meeting 6:45 p.m., and evening worship at 7:45 p.m.

Ration Board Needs Reports From Dealers

The local War Price and Rationing Board announced today that all dealers in fuel oil and kerosene, and they include all classifications, cross road stores, gasoline stations, etc., who sell to the public, should notify them at once of the number of applications that will be needed for their customers. That is the only way in which the Board can reasonably determine the quantity of applications to have on hand when the dealers' registrations day is announced later this month. The Board stated further that dealers will register with the Rationing Board in advance of consumers.

Every person, selling tires or tubes must file a report R-17 in this office by October 15, this report will cover July, August

Service Notes

Lieut. James C. Williams, son of Mr. and Mrs. W. P. Williams of Paris, Tenn., left Monday for Camp Hood, Texas, after a week's furlough at home. He received his commission in the field artillery only 10 days ago. His father, W. P. Williams, is the publisher of The Ledger & Times. James is the second son of Mr. and Mrs. Williams. He is in the service. Lee, another son, who is a graduate of Murray State College, is on destroyer duty on the Atlantic with the U. S. Navy.

A cablegram was received October 9 by Alton Cunningham of U. S. Locke, Cadiz, from a Calloway county boy, Oliver B. Cook, Pfc., serving with the armed forces overseas, stating that he is O. K. and doing fine.

Pvt. Roy A. Jackson is now stationed at Seattle, Washington in the Coast Artillery.

Donald C. Skaggs, son of Mr. and Mrs. Clint H. Skaggs of Dexter, left last week for Louisville for his medical examination preparatory to joining the Navy. From there he will go to Norfolk, Va., for Naval Reserve training.

Citizens of Murray and vicinity are becoming interested in aquatic sports. Work has been started on the city's outdoor pool in the park, the Murray State College has a beautiful pool in the health building and within a few years within 9 miles of Murray, Kentucky Dam Lake will be a veritable vacationland for aquatic sports.

The committee in charge is Mrs. C. B. (Elyse) Landham, chairman; Roy Stewart, John E. Miller, Preston Holland, Ed Filbeck, Carman Graham and Carle Cutchin.

Persons interested in any of the above Water Safety courses should contact Elyse L. Landham, 1003 Poplar street, (phone 200).

Hunters Asked To Be Careful of Telephone Wires

Hunters are requested to be doubly cautious this season when in the vicinity of telephone lines, lest their gunsshots accidentally damage vital telephone equipment. Work which must be kept working full time in interest of the war effort.

With the armed forces and war industries depending so heavily on telephone communication, it is especially important that every line be kept in service at all times.

To do this it is essential to keep the equipment free of damage. Shots fired near telephone wires or cables may miss their mark and accidentally cut a wire or shatter an insulator. Aside from putting scores or possibly hundreds of telephones out of service, this might interfere with an important war call.

O. Brown, Murray, manager of Southern Bell Telephone and Telegraph Company, says that caution against accidental damage to telephone facilities is just another of the simple but vitally important ways in which civilians can help assure the best possible telephone service for the calls of war.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking, exposure to colds and infections—throws heavy strain on the work of the kidneys. They are apt to become overworked and fail to filter waste and maintain the fluid balance of the body.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Dr. Doan's Pills. Doan's help the kidneys to pass off harmful excess body wastes. They have been used for half a century of public approval. Are recommended by the best medical authorities everywhere. Ask your neighbor!

The Telephone is VITAL to the Communication Needs of this War Busy Nation

"You FIRST... Uncle Sam!"

This is the kind of spirit we all must show if we are to keep vital long distance telephone lines clear for urgent war calls. Never before have long distance lines been so busy and played so vital a role in our nation's history.

But war calls are not the only calls. Calls by civilians and non-war businesses—calls that are not always necessary—are also increasing. The result is crowding of long distance lines and equipment, threatening war calls with serious delays.

YOU can help avert this threat to vital war communications by beginning now to voluntarily ration your use of long distance.

There is urgent need now for a special effort to avoid making "long haul" calls. The greater the distance you talk, the greater the possibility of delaying vital war calls, because the "long haul" lines are the most heavily crowded with war business.

Mrs. Williams Entertains Arts and Crafts Club

Mrs. Tom Williams was hostess Wednesday afternoon to the Arts and Crafts club at the home of Mrs. Jack Beale, Jr. The rooms were bright with attractive arrangements of fall flowers. Needle work and conversation were enjoyed. The club voted to devote the meetings in the future to Red Cross sewing.

The hostess served a party plate to 22 members and the following visitors: Mrs. T. W. Crawford, Mrs. O. J. Jennings, Mrs. Willie Linn, Mrs. Tom Moore Williams, Mrs. Jack Beale, Jr., and Miss Lula Clayton Beale.

The next meeting will be an all day meeting at the home of Mrs. E. J. Beale on November 11.

TOLLEY'S FOOD MARKET

I wish to take this means of announcing that I have purchased Joe Carson's interest in the Tolley & Carson Food Market, and will operate the store in the future as Tolley's Food Market.

Mr. Carson and I began operating this market in February, 1935. Our relations with each other and with our customers have been most friendly and cordial, and we dissolved partnership in the same friendly manner in which we operated this store.

I returned to my home town of Murray, leaving a position as travelling salesman for H. J. Heinz Company, when this store was established. Here I have had the high satisfaction of serving my many friends and customers with the best of quality groceries and meats and giving them the most courteous, prompt service possible.

I do wish to express my appreciation for the patronage and friendship shown Mr. Carson and me during the past seven years, and I promise that I shall do my best to continue with the high type of service and to handle the quality foods that have characterized this grocery in the past.

Members Ask Passage of Bill To Help Pay Teachers

Eltis Henson, principal of the Calvert City High School and graduate of Murray State College, was elected president of the First District Education Association at its 58th annual meeting here October 9. He succeeds Holland Rose, Benton.

R. L. Montgomery, Paducah, was elected vice-president to succeed A. C. Berry, Eddyville. Ed Filbeck, Murray, was reelected director of the FDEA.

The 1000 members of the association adopted resolutions urging U. S. Senators Alben W. Barkley and A. B. Chandler and Congressman Noble Gregory to aid in passing Senate Bill No. 1313 "thereby making it possible for the school boards to retain their best teachers through the use of the funds provided to them by this bill."

Roosevelt Asks That 18, 19 Year Olds Be Drafted

President Roosevelt, asserting that Allied strength was "on the upgrade" and the enemy growing nervous in a radio address Monday night, urged the drafting of 18 and 19-year-olds so that an Army with the spirit and hardihood of youth may shorten the war with annihilating new offensives.

Fill your time with positive, service and good. Do not drift. Have definite things on hand to do. Henry Churchill King.

BUYS JERSEY COW

A registered Jersey cow, formerly owned by Wilson Jones, Yorkville, Tenn., has been purchased by Ronald Burken of Almo. The animal is Raleigh Lovely Bontilliere, 1297430.

Charles E. Clark, formerly of Murray, and Nashville, Tenn., has been employed by the State of Michigan to teach an extended course of welding for the Fordson High School at the Stinson Division of the Vultee Aircraft Corp. plant in Wayne, Mich.

Thanks

To all our friends and customers, for your loyal support, for your continued patronage and for the friendly way in which you have encouraged us in our taking over and operating the Blue Bird Cafe.

We do deeply appreciate your coming in day after day for food and refreshments and we certainly hope you will continue to do so.

And here's a sincere invitation, a genuine appeal to every man, woman and child in Calloway county: Stop in at the Blue Bird Cafe for a meal and let us convince you that this is the place for delicious, nourishing food. Your patronage will be appreciated.
